## ASOCIACIÓN DE HOSTELERÍA COMILLAS ACTIVATION CAMPAIGN

The **Asociación de Hostelería Comillas**, in collaboration with the Comillas Town Hall, is launching the second edition of this revitalization campaign aimed at promoting and invigorating the town's hospitality sector.

In this way, anyone who dines at participating establishments will receive a raffle ticket for every 10 euros spent, entering them into a drawing for a 200-euro prize. A drawing will be held approximately every 15 days, selecting two winners of 200 euros each, which can be spent at any establishment participating in the campaign.

The drawings will take place on December 27, 2024, January 15, 2025 and January 30, 2025 (Prizes redeemable until February 28, 2025).

Check on our web [www.comillas.es](http://www.comillas.es) for the complete list of establishments participating in the campaign.

## COMILLAS VALE POR CINCO

The Comillas City Council, through the Department of Commerce and Festivities, in collaboration with the Comillas Merchants Association, organizes the **8th Commercial Dynamization Campaign "Comillas Vale Por 5"**. The campaign distributes a total of 700 vouchers worth 5 euros each and aims to promote spending in the small shops of Comillas.

The campaign will run from **January 15 to February 15, 2025** (vouchers cannot be carried over from one campaign to the next).

### HOW TO PARTICIPATE?

- The consumer makes a purchase of 20€ or more at a participating commercial establishment in Comillas between **January 15 and February 15, 2025** (see list below).
- With the **ORIGINAL receipt** of that purchase, the consumer goes to the Tourist Office. (If the payment was made by credit or debit card, the bank transaction receipt will not be valid unless accompanied by the original purchase receipt).
- At the Tourist Office, the consumer will receive a voucher. For every 20€ spent, the consumer will get a 5€ voucher, up to **a maximum of 5 vouchers per receipt** (e.g., 50€ spent at a store = 2 vouchers).
- The consumer can use the voucher for future purchases at participating stores.

### TERMS AND CONDITIONS

It is necessary to present a receipt of 20€ or more at the Tourist Office. In order to be exchanged for a voucher, the amount must be divisible by 20€ (a receipt of 39€ can be exchanged for one voucher).

The maximum number of vouchers that can be issued per receipt is 5. Therefore, **receipts over 100€ can only be exchanged for up to 5 vouchers**. When redeeming vouchers, if the purchase amount is less than the 5€ voucher value, no change will be given.

**Vouchers will expire on February 15, 2025, the campaign end date. If not used before this date, the voucher will lose its value.**

The receipt exchanged for a voucher must be dated within the period in which the campaign is active (from January 15 to February 15).

Receipts will be given out in order of arrival **until supplies run out**.

Only **original receipts** will be valid. Receipts that are damaged or have illegible details will not be accepted.

Each purchase receipt can **only be used once** and will be checked and stamped by the Tourist Office staff at the time of voucher exchange. Once stamped, the receipt will be invalidated.

## **“CAMINO DE SANTIAGO” AND “CAMINO LEBANIEGO”**

On the route of the “Camino de la Costa”, shell pilgrims cross the town of **Comillas**. The “Caminos de Santiago del Norte” were added to the **UNESCO World Heritage** List in 2015. This decision completes the recognition granted to the “Camino Francés” in 1993.

The four new routes that have been incorporated are: the “Camino Primitivo”, the “Camino de la Costa”, the “Camino Interior Vasco-Riojano” and the “Camino Lebaniego”.

In **Cantabria**, the “Camino del Norte de la Costa” and the “Camino Lebaniego” pass through, with the latter being the pilgrimage route to Santo Toribio de Liébana, which spans 72 kilometers between San Vicente de la Barquera and the Monastery of Santo Toribio de Liébana.

## **FERRERÍA DE CADES**

Advance reservations are recommended at **608 104 785**. [www.ferreriadecades.es](http://www.ferreriadecades.es)

**FROM JANUARY TO JUNE 2025:** Guided tours with demonstrations are available for groups by appointment (minimum of 20 people) during weekday mornings. No free tours are allowed.

Closed on weekends and public holidays.

Located in the municipality of **Herrerías**, on the banks of the Nansa River, this forge transports us to a traditional way of life, as if time has stood still, and its walls once again echo the incessant noise of the bellows and the hammer striking iron.

## **FERRERÍA (Ironworks) AND MILL OF CADES**

The building is part of a rural complex from the 18th century, completed in 1752.

Its design is typical of Cantabrian forges: a sturdy masonry structure with two main halls connected to each other, housing the hydraulic machinery, and four coal bunkers attached transversely. Its impressive size, along with excellent hydraulic engineering, makes it one of the finest examples of this type.

The mill adjacent to the forge completes this interesting rural ensemble. As a cycle concludes, the water returns to the Nansa River, from which it is diverted to operate the machinery. During guided tours, the machines are activated, immersing visitors in the life of the blacksmiths and millers of that era.

## PRICES FERRERÍA DE CADES

- **Guided tour Ferrería and Mill with demonstration:** general **8,5 €** and reduced\* **6€**
- **Free tour without demonstration** of the Ferrería and the Mill (only when guided tour is unavailable): **4 €**.
